

# Childish Gambino - Telegraph Ave

Tom: C

Power 106!  
LA, it's ya girl, Yesi Ortiz  
Got some brand-new music  
I need y'all to turn it up and let me know what you think  
It's Lloyd, called Oakland, on Power 106

<sup>Dm</sup>  
I was making Japanese  
<sup>Am</sup>  
And she's watching DVDs  
<sup>F</sup> <sup>G</sup>  
In Oakland, in Oakland  
<sup>Dm</sup>  
Now I'm driving up the 5  
<sup>Am</sup>  
And she waits till I arrive  
<sup>F</sup> <sup>G</sup>  
In Oakland, in Oakland  
<sup>Dm</sup>  
Everything, that I wanted  
<sup>Am</sup>  
Only gotta drive for the moment  
<sup>F</sup>  
If you tell me turn around then I'm on it  
<sup>G</sup>  
For the moment, but you know me  
<sup>Dm</sup>  
You know how I get when I'm lonely  
<sup>Am</sup>  
And I think about you and the moments  
<sup>F</sup> <sup>G</sup>  
But everything you do is so Oakland, so Oakland

<sup>Dm</sup>  
Foot on the gas  
<sup>Am</sup>  
I'm just trying to pass  
<sup>F</sup>  
All the red lights  
<sup>G</sup>  
And the stop signs  
<sup>Dm</sup>  
I'm ready to go  
<sup>Am</sup>  
Before I get to The Bay  
Babe, that's a problem  
<sup>F</sup>  
Because I'm way too scared to call  
<sup>G</sup>  
And you might get me to stay, and oh

<sup>Dm</sup>  
I don't really mind the drive  
<sup>Am</sup>  
But I think I'd rather die  
<sup>F</sup> <sup>G</sup>  
In Oakland, in Oakland  
<sup>Dm</sup>  
With my hands on two and ten  
<sup>Am</sup>  
So I guess it all depends  
<sup>F</sup> <sup>G</sup>  
In Oakland, in Oakland  
<sup>Dm</sup>  
And I'm nervous, truth be told  
<sup>Am</sup>  
I never saw me growing old  
<sup>F</sup> <sup>G</sup>  
In Oakland, in Oakland  
<sup>Dm</sup>  
And if I married you tonight  
<sup>Am</sup>  
It would probably start a riot  
<sup>F</sup> <sup>G</sup>  
In Oakland, in Oakland

<sup>Dm</sup>

Everything, that I needed  
<sup>Am</sup>  
Now that I got you in your feelings  
<sup>F</sup>  
Everything you won't say, you tweet it  
<sup>G</sup>  
And a nigga don't like that shit at all  
<sup>Dm</sup>  
So treated  
<sup>Am</sup>  
Can we just roll with the feeling?  
<sup>F</sup>  
Can we just roll for a minute?  
<sup>G</sup>  
Wait a minute

<sup>Dm</sup>  
Foot on the gas  
<sup>Am</sup>  
I'm just trying to pass  
<sup>F</sup>  
All the red lights  
<sup>G</sup>  
And the stop signs  
<sup>Dm</sup>  
I'm ready to go  
<sup>Am</sup>  
Before I get to The Bay  
Babe, that's a problem  
<sup>F</sup>  
Because I'm way too scared to call  
<sup>G</sup>  
And you might get me to stay, and oh

<sup>Dm</sup>  
All the girlfriends saying here we go again  
<sup>Am</sup>  
Rich kid but he act like a gentleman  
<sup>F</sup>  
Last one didn't end like it should've been  
<sup>G</sup>  
Two dates and he still wanna get it in  
<sup>Dm</sup>  
And they're saying it's because of the Internet  
<sup>Am</sup>  
Try her once and it's on to the next chick  
<sup>F</sup> <sup>G</sup>  
X-0 the 0 face on your exes right?  
<sup>Dm</sup>  
And we can do the same thing if you wanna have at it  
<sup>Am</sup>  
When your thoughts can't breathe and you thinking asthmatic  
<sup>F</sup>  
And you wanna be a mom and I wasn't mad at it  
<sup>G</sup>  
I was thinking 'bout me, I'd be really bad at it  
<sup>Dm</sup>  
Cause I'm thinking 'bout me, weeks in Dubai  
<sup>Am</sup>  
Fourth of July, house in Kauai, yeah we can try  
<sup>F</sup> <sup>G</sup>  
So let's try

( <sup>Dm</sup> <sup>Am</sup> <sup>F</sup> <sup>G</sup> )  
( <sup>Dm</sup> <sup>Am</sup> <sup>F</sup> <sup>G</sup> )

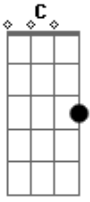

Whoa  
<sup>Dm</sup>  
I took off my nine to five  
<sup>Am</sup> <sup>F</sup> <sup>G</sup>  
But you still don't have the time to kiss me, just hit me  
<sup>Dm</sup> <sup>Am</sup>  
And if I left you all alone, would you still pick up the phone?  
<sup>F</sup> <sup>G</sup>  
It's iffy, you miss me  
<sup>Dm</sup>  
I got furniture to move  
<sup>Am</sup>  
And we'll both be thirty soon

**F**  
In Oakland, in Oakland  
**Dm**

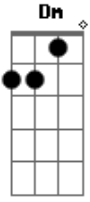

**Am**

The only one I know is you, so the fuck I'm supposed to do?  
**F** **G**  
In Oakland, in Oakland
