

Chinchilla - Little Girl Gone

tom:

Intro: **Dbm**

[Primeira Parte]

So I heard you're back in town **Dbm**
 And haven't changed a bit, man **Dbm**
 You get off talking down to the little man **Dbm**
 Time you get what you deserve **Dbm**

Wow **Dbm**
 You're so fucking stupid **Dbm**
 Been a while since my head was this polluted **Dbm**
 Lucky I know my own worth **Dbm**

[Pré-Refrão]

So you, so you wanna fight me, are you big enough? **Gbm**
 Kick the back of my knee, are you serious? (Are you serious?) **E**
 You keep on trying but **Ab**
 I like your blood on my teeth just a little too much **Dbm** **Gbm**
 So bite me, slap me round the face **Gbm**
 Now I'm twisting your arm 'till I hear it break **E** **Ab**
 I get stronger everyday, yeah **Ab**

Dbm
 Little girl gone, got a gun from a gangster **Dbm**
 Run little girl, run little girl, bang ha **Dbm**

[Refrão]

Say that again, I didn't quite hear you **Dbm**
 Messed with the wrong bitch in the wrong era **Dbm**
 I been at work and I got my badge of honour **B**
 Honey, I've changed so much since I last saw you **B**

Hands off my hair, how very dare you **Dbm**
 Ding ding, hold my earrings for my debut **Dbm**
 'Cause I pack a punch backed into a corner **B** **Dbm**
 Come at me, don't tell me I didn't warn ya **Dbm**

[Segunda Parte]

Did you think I'd be easy **Dbm**
 Snap me like bamboo? **Dbm**

Acordes

Mould me into the sole of your jackboot?

Dbm
 Wish I could bottle the taste **Dbm**
 'Cause I'd drink up the look on your face **Dbm**
