

# Chinchilla - Little Girl Gone

tom:

Intro: **Dbm**

[Primeira Parte]

So I heard you're back in town **Dbm**  
 And haven't changed a bit, man **Dbm**  
 You get off talking down to the little man **Dbm**  
 Time you get what you deserve **Dbm**

Wow **Dbm**  
 You're so fucking stupid **Dbm**  
 Been a while since my head was this polluted **Dbm**  
 Lucky I know my own worth **Dbm**

[Pré-Refrão]

So you, so you wanna fight me, are you big enough? **Gbm**  
 Kick the back of my knee, are you serious? (Are you serious?) **E**  
 You keep on trying but **Ab**  
 I like your blood on my teeth just a little too much **Dbm** **Gbm**  
 So bite me, slap me round the face **Gbm**  
 Now I'm twisting your arm 'till I hear it break **E** **Ab**  
 I get stronger everyday, yeah **Ab**

**Dbm**  
 Little girl gone, got a gun from a gangster **Dbm**  
 Run little girl, run little girl, bang ha **Dbm**

[Refrão]

Say that again, I didn't quite hear you **Dbm**  
 Messed with the wrong bitch in the wrong era **Dbm**  
 I been at work and I got my badge of honour **B**  
 Honey, I've changed so much since I last saw you **B**

Hands off my hair, how very dare you **Dbm**  
 Ding ding, hold my earrings for my debut **Dbm**  
 'Cause I pack a punch backed into a corner **B** **Dbm**  
 Come at me, don't tell me I didn't warn ya **Dbm**

[Segunda Parte]

Did you think I'd be easy **Dbm**  
 Snap me like bamboo? **Dbm**

## Acordes

Mould me into the sole of your jackboot?

**Dbm**  
 Wish I could bottle the taste **Dbm**  
 'Cause I'd drink up the look on your face **Dbm**
