

Chitãozinho & Xororó - No Rancho Fundo

tom:

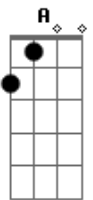

A

Intro: A D E

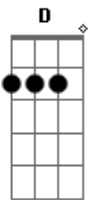

No rancho fundo
 Bem pra lá do fim do mundo
 Onde a dor e a saudade
 Contam coisas da cidade
 No rancho fundo
 De olhar triste e profundo
 Um moreno cantas as mágoas
 Tendo os olhos rasos d'água
 Pobre Moreno
 Que de noite no sereno
 Espera a lua no terreiro
 Tendo o cigarro por companheiro
 Sem um aceno
 Ele pega na viola
 E a lua por esmola
 Vem pro quintal desse moreno
 No rancho fundo
 Bem pra lá do fim do mundo
 Nunca mais houve alegria
 Nem de noite e nem dia
 Os arvoredos
 Já não contam mais segredos
 E a última palmeira

Já morreu na cordilheira
 Os passarinhos
 Hibernaram-se nos ninhos
 De tão triste essa tristeza
 Enche de trevas a natureza
 Tudo porque
 Só por causa do moreno
 Que era grande hoje é pequeno
 Pra uma casa de sapê
 Se Deus soubesse
 Da tristeza lá na serra
 Mandaria lá pra cima
 Todo amor que há na terra
 Porque o moreno
 Vive louco de saudade
 Só por causa do veneno
 Das mulheres da cidade
 Ele que era
 O cantor da primavera
 E que fez do rancho fundo
 O céu melhor que tem no mundo
 Se uma flor
 Desabrocha e sol queima
 A montanha vai gelando
 Lembra o cheiro da morena
