Chloe & Halle - Cool People

Tom: A
Intro: A Dbm

[Primeira Parte]

A   Dbm
Forgive me now my heart
                     A
It don't know were to start
                  Dbm
My ceilings fell apart
D
I've been down on the regular

I've seen things with my retina
Dm
These old days I don't feel that much

[Refrão]

A   Dbm
But darling when you smile it's like the rain dries out
                                Gbm
Now there's no more room for clouds
                Dbm   Gbm
Got me singing Hallelu, oh Hallelu oh
                                E
When you hold my hand it just reminds me how
                             A
There's still cool people in the world

[Segunda Parte]

A   Dbm
Hear me far away
                     A
I'm done with yesterday
A   Dbm
I'm living for today
       D
So now I've been good on the regular

I've seen things even clearer
Dm
These new days I've been lifted it up
      A
High

[Refrão]

A   Dbm
Cause darling when you smile it's like the rain dries out
                                Gbm
Now there's no more room for clouds
                Dbm   Gbm
Got me singing Hallelu, ah Hallelu oh
                                E
When you hold my hand it just reminds me how
                                  Bm
There's still cool people in the world

[Ponte]

Bm   Dbm   D
Thought I'd never know, love like this before
                                            Bm
I let go then I run and we run with the rivers
               Dbm   D Dm G
You helped me fly, you give me liii - iii - iii - fe

[Refrão]

A   Dbm
Cause darling when you smile it's like the rain dries out
                                Gbm
Now there's no more room for clouds
                Dbm   Gbm
Got me singing Hallelu, ah Hallelu oh
                                E
When you hold my hand it just reminds me how
                                  A
There's still cool people in the world
