

Chloe Moriondo - Bugbear

tom:

Intro: E G B
 Being in this space has made me feel
 A bit more small and I'm not quite?sure?
 Where I'm goin'?next
 I'll try to use a map?but with directions I

Tend to be bad so
 I'll use?GPS?and?pray for the?best

[Primeira Parte]

I've got so?many years to flesh this out and be what I wanna
 be
 But it's confusing to say the least
 No perception of time or space or distance or weight

And I think I'm going insane
 Due to graduate and remain a beast
 [Refrão]

And oh whoa I just want you to know whoa
 I feel so brain dead next to you
 It's not like you intended to
 Hurt me or make me feel that way
 And I'm not tryin' to complain
 But it just sucks to try and explain
 Why I feel like this everyday

[Ponte]

 (E Gb B)

Sleepin' through your days and skippin'
 Meals

Must sound so unappealing
 But I guess it's different when it's the
 Norm
 Sinking deeper into whatever this is without a hint of
 reflection
 Can't tell if this is the calm or if this is
 The storm
 Giving everything I've got
 Equates to about a shower and wakin' up late
 [Segunda Parte]

When I'm faced with anything I tend to flee
 So when I'm thrown into the adult world
 Where they do things that I never learned

How to do
 I guess I'll live in a swamp or a tree

[Refrão]

And oh I just hope you all know whoa
 I feel so brain dead next to you
 It's not like you intended to
 Hurt me or make me feel that way
 And I'm not tryin' to complain
 But it just sucks to try and explain
 Why I feel like this everyday

My brain is surrounded by school kids
 Who all got their valedictorian course
 While I can't care enough about my 3.8
 No matter how hard I try
 I'm still not trying hard enough to be great
