Intro: F G F G C

F G F G
 Now here you go again, you say you want your freedom
 Well, who am I to keep you down?
 It's only right that you
 Should play the way you feel it
 But listen carefully to the sound of your loneliness
 Like a heartbeat drives you mad
 In the stillness of remembering what you had (oh oh)
 And what you lost (oh oh)
 And what you had (oh oh)
 And what you lost (oh oh)

F7M G F G
 Oh, thunder only happens when it's rainin'
 F7M G F G
 Players only love you when they're playin'
 F7M G F G
 Say, women, they will come and they will go
 F7M G F G
 When the rain washes you clean, you'll know

 You'll know
