

Chloe Moriondo - Ghost Adventure Spirit Orb

tom:

G
[Primeira Parte]

B All of the time, I'm thinking 'bout things too much **Db**
 And then I end up out of touch **E**
 And feel a lot less real than before **Em** **B**
B I speak a lot of words but tend to say a lot less **Db**
 I'm just a fuckin' mess **E**
 And I will shut my bedroom door **Em** **B**

[Pré-Refrão]

E And as I iron out my brains **Em**
 To speak to ice cream stains **B** **Db**
 I'll stare at the ceiling stars and wonder why life's so hard **E** **Em**
 Locking the door, I will talk to my floor
 And I'll say

[Refrão]

B Oh, my friend **Db**
 I'm not sure what to do **E** **B**
 To get out of this goo that I absorb **B**
 How to stop myself?
 Hell, if I know **Db** **Em** **B**

As above, so below, I'm my own damn spirit orb

[Segunda Parte]

B Most of the time I'm scooping mud and digging graves **Db**
 In these saltwater caves **E**
 And overgrown hospitals the like **Em** **B**
B I'll step along the way to tell the frogs and toadstools about **Db**
 How I hate this body
 And they'll say, oh they'll say **E** **Em**

[Ponte]

E "We would like to help you but **Em**
B It seems like you're living in dreams, come back to reality" **Db**
E I'll cry "Wait!" and I will wake up late again **Em** **B** **Db** **E** **Em**

E And in the morning, once more
Em I will speak to the floor and I'll say
 [Refrão]

B Oh, my friend **Db**
 I'm not sure what to do **E** **Em** **B**
 To get out of this goo that I absorb **B**
 How to stop myself?
 Hell, if I know **Db**
 As above, so below, I'm my own damn spirit orb **Em** **B**
