

Chloe Moriondo - Kindergarten

tom:
 Would you like to share your lunch with me?
 I'd surely be delighted to be the one you give the last Oreos to
 If that's alright with you
 Do you wanna sit next to me on the bus home?
 I told my mom not to pick me up today
 I hope that that's okay
 'Cause this kindergarten crush has got my stomach all twisted
 You're sweeter than sugar, lover I'm addicted
 My brain is doing bunny loops, I'm a disaster
 Everything you do just makes my heart beat faster
 I'm too scared to talk to you
 I try to keep my courage but I end up getting nervous

And my face goes blue
 You stick to me like
 Every time I wanna tell you how I feel
 I freeze up, my knees start to shake
 And the way you look is so unreal
 You're my own Achilles heel
 And this kindergarten crush has got my stomach all twisted
 You're sweeter than sugar, lover I'm addicted
 My brain is doing bunny loops, I'm a disaster
 Everything you do just makes my heart beat faster
 Oh, this kindergarten crush is gettin' me wrong
 I don't know what to do, so I wrote you a song
 And this thing is going further than originally planned
 So I hope you won't mind if I ask you to hold my hand
