

Chloe Woodard - Chewing Sand And Kicking Gravel

Tom: G

Chewing sand and kicking gravel
 This shit will be in my mouth and shoes for at least another week
 And when I get tired of feeling the same way as Always
 I'll just gut myself in the shower
 Chewing sand and kicking gravel
 I tried to get away but I can't leave behind my head
 So when I went south to drown myself real pretty

I was too tired to get out of bed
 Chewing sand and kicking gravel
 I let my body walk away and waited in the car
 Now it's been a year and I'm just as angry as before
 I will never learn from my mistakes
 Pounding sand and burning the chapel
 If I am gonna lose my mind I'll go out with a bang
 And of all the times I tried to make you love me
 You always loved yourself more
