

Choque de Cultura - Samba do Rogerinho

Tom: G
Intro: G D7

Como é que pode? Rogerinho acabou com o pagode

Que absurdo meteu a Sprinter no muro

Rogerinho matou três soldados

Quebrou o cavaco e o tamborim

De um general a cadeira de rodas

Eu fiquei com dó pra pobre senhora

Catando o cavaco caindo no chão

Que aflição

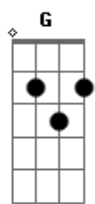

Depois de tudo meteu cavalinho de pau

Saiu de zerinho falou 'na moral

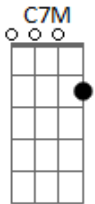

Amanhã venho aqui pra pagar o general'

Como é que pode, Rogerinho acabou com o pagode
