

# Choque do Magriça - O Artista

Tom: F

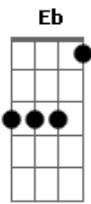

O sorriso do artista explode quando sobe o pano  
 A glória do artista avista você se aproximando  
 A loucura tá no sorriso  
 Loucura pura, forte  
 Que conta com a morte  
 Que conta com a sorte

Feliz o artista leve, lindo, pleno, breve  
 O céu te quer, a multidão clama  
 Pela chama da tu'alma  
 Artista, não tenha calma  
 Te amo de graça  
 A tua graça passa e deixa paz  
 Pense no bem que você faz
