

# Chris Brown - 4 Years Old

Tom: G  
Intro: C G C D Em7

I got money,  
Everything that i ever wanted,  
Never thought about i might need, need, need.  
Ain't it funny, how i spend my whole life running,  
Reaching for the sky high i'm coming down, with nothing.  
Feels like i'm 4 years old, all over again.  
'cause i'm just running fast, should be walking.  
Saying when i grow up, you gonn' see.  
I'm gonn' bee comfortable and happy.  
I guess i was faking, just looking at all the money i'm making,  
Still nothing can compare to the thought off love.

But it's taking, too much time to see i'm wasting,  
Reaching for the sky high i'm coming down, with nothing.  
It feels like i'm 4 years old, all over again.  
'cause i'm just keep running fast, should be walking.  
Saying when i grow up, you gonn' see.  
I'm gonn' bee comfortable and happy.  
I'm so alone, i feel so alone, so alone in this world.  
Got everything that i want  
But feels like i'm 4 years old, all over again.  
'cause i'm just keep running fast, should be walking.  
Saying when i grow up, you gonn' see.  
I'm gonn' bee comfortable and happy.  
Whooow whooow whooow.
