So the iceberg never broke
 C
 And I poked at it and I poked at it and I poked at it
 F

And I poke and I poke and I poked at it
 But it stayed stagnant then I poked at it some more, some more
 Am
 And in my notepad, man I wrote and I wrote
 F
 If I don't have it, if I don't grab it
 F
 If it don't chip then a toe tag is, one last
 C
 I'mma hope, I'mma hope so the iceberg don't float
 F
 If I do manage to do damage to you dammit
 Am
 It'd be grand, it's ten grammies or my granite still standing
 F
 With a note, a note that read "granted, don't you panic"
 F
 When you make mistakes the most, the most
 C
 One day it'll make you grow, you grow
 C
 When you outlandish and you lose manners
 F
 To God you shall consult, consult
 F
 When the bright cameras are still cramming
 Am
 In your face and it provoke, provoke
 Am
 You to act manic, just stay planted
 F
 'Cause you reapin' what you sowed
 F
 Keep positivity in your heart and
 C
 Keep a noose from 'round your throat and
 C
 When you get mad and when you poke at it
 F
 When you poke it at just know, man
 Am
 The iceberg is a reflection of you when you re-new your vision
 Just think if it had sunk Titanic
 F
 What the fuck would you do to a critic, my nigga?
 F C
 Yeah, yeah, tell me, when doves cry do you hear 'em love? (Do
 you hear 'em love)
 Do you hear 'em?
 Am F
 And if my ship go down tell me who will abort?
 C
 And they won't let me live even when we mustard the gift
 F
 When it gon' rejoice and forgive, tell me how I stay positive
 Am
 When they never see good in me
 Am
 Even though I got hood in me
 G
 Don't mean he won't redeem me, Lord
