1, 2, 3, 4? yeah..

It's you and me
Moving at the speed of light into eternity, yeah
Tonight is the night
To join me of the middle of ecstasy
Feel the melody and the rhythm of the music go 'round you
Go 'round you

I'ma take you there.. I'ma take you there
So don't be scared when I'm right here, baby
We can go anywhere.. go anywhere
But first it's your chance to take my hand come with me

It's like I waited my whole life for this one night
It's gon be me, you, and the dance floor
'Cause we only got one night
Double your pleasure double your fun
And dance forever ever-ever
Forever ever-ever
Forever ever-ever
(Forever)
Forever ever-ever
Forever ever-ever
Forever ever-ever
Forever on the dance floor

Feel like we're on another level, girl
Feels like our love's intertwined
We can be two rebels
Breakin' the rules me and you, you and I
All you gotta do is watch me [watch me]
Look what I can do with my feet [my feet]
Baby feel the beat inside
I'm drivin' you can take the front seat [front seat]
Just need you to trust me [trust me]
Girl... girl... girl
It's like I..

It's like I waited my whole life for this one night [one

night]
It's gon be me, you, and the dance floor
'Cause we only got one night
Double your pleasure double your fun
And dance forever ever-ever
Forever ever-ever
Forever ever-ever
(Forever)
Forever ever-ever
Forever ever-ever
Forever ever-ever
Forever on the dance floor

It's a long way down it's so high off the ground
Sending for an angel to bring me your heart
Girl where did you come from?
Got me so undone
Gazing your eyes got me saying
What a beautiful lady no ifs ands or maybes
I'm realeasing my heart and spirit amazing
There's no one else that matters you love me
And I won't let you fall girl, let you fall girl ohhh
Ohh..ohh.. ooh yeah
I won't let you fall let you fall let you fall
Ohh ohh yeah yeah
Yeah yeah
It's like..
