

Chris Brown - Should've Kissed You

Tom: D

Verso 1:

Why am I mad, I don't get it,
 It seems like every time you give me signs,
 And I miss it!
 I did it again,
 I admit it,
 I left you standing there,
 And now I regret it,
 Seems like every time,
 I get the chance,
 I lose my cool, and I blow it,
 And I get all tongue tied,

Lost in your eyes,
 I'm a fool, and I know it!

Refrão:

I should've kissed you,
 I should've told you,
 Told you just how I feel,
 And next time I won't stop,
 I'll listen to my heart,
 Cause what I feel is real!
 I should've kissed you,
 I should've told you how I feel,
 I should've kissed you,
 I should've showed you how I feel
