Chris Brown - Should've Kissed You

Tom: D

```
Verso 1:
   DA Em G
Why am I mad, I don't get it,
          D
                 Α
It seems like every time you give me signs,
Em
And I miss it!
         G
    D A
I did it again,
     Em G
I admit it,
            D
                 Α
I left you standing there,
Em G
And now I regret it,
     D
Seems like every time,
 Em G
I get the chance,
   D A
                Em
                       G
I lose my cool, and I blow it,
   D
           Α
And I get all tongue tied,
Em G
```

Acordes

```
Lost in your eyes,

D A Em G

I'm a fool, and I know it!
Refrão:
D
             Α
I should've kissed you,
Em
        G
I should've told you,
                     G
D A
Told you just how I feel,
D
            Α
And next time I won't stop,
Em
            G
I'll listen to my heart,
D A G
Cause what I feel is real!
         D A
                                   G
                            Em
I should've kissed you,
                                   G
         D A
                             Em
I should've told you how I feel,
                                   G
         D A
                            Em
I should've kissed you,
         D A
                            Em
                                   G
I should've showed you how I feel
