Now my baby's really gone

I don't know if she's coming home

My love's up, I fucked up

I know

Tell me what to do to get her back

Back where her heart belongs, been gone from me for way too long

So if youuuu, seen my boo

Please can youuuu

Can you tell her for me

If you ever see her

If you ever meet her

If you ever get a chance to sit down and talk to her

Then tell her it's so cold

It's so cold, it's so cold

Here without her

And tell her I miss her

Tell her I need her

Tell her I want her

I really want her to come back home, back to keep me warm

Tell her I'm sorry, I'm really sorry

Can you forgive me?

Please forgive me

And come back home, keep me safe and warm

All the girls across the world

you know you gotta be my girl 4x

If you ever see her

If you ever meet her

If you ever get a chance to sit down and talk to her

Let her know it's so cold

It's so cold, it's so cold

Here without her
