

Chris Cornell - Billie Jean

tom:
G

Em She was more like a beauty queen from a movie screen
 Em Said don't mind, but what do you mean I am the one
 Am Who will dance on the floor in the round
 Am She says I am the one
 C D Who will dance on the floor in the round
 Em She said her name was Billie Jean, as she caused a scene
 Em And every head turned with eyes that dreamed of being the one
 Am Who will dance on the floor in the round
 C People always told me be careful what you do
 C Don't go around breaking young girls hearts
 C Momma always told me be careful who you love
 C B7 Be careful what you do before the lie becomes the truth
 Em Am Em Billie Jean is not my lover
 Em Am Em She's just a girl who says that I am the one
 C D Em But the kid is not my son
 Am Bm C D Em She says I am the one, but the kid is not my son
 Em For forty days and forty nights The law was on her side

Em Who could stand when she's in demand, her schemes her plans
 Am Her schemes her plans
 Em Cause we dance on the floor in the round
 Am So take my strong advice
 C D And remember to always think twice, do think twice
 Em She told my baby that we'd danced till three, She looked at me
 Em Then showed a photo My baby cried, his eyes were like mine
 Am Cause we dance on the floor in the round
 C People always told me be careful what you do
 C Don't go around breaking young girls' hearts
 C Then she stood right by me, the smell of sweet perfume
 C B7 This happened much too soon when she called me to her room, yeah
 Em Am Em Billie Jean is not my lover
 Em Am Em She's just a girl who says that I am the one
 C D Em But the kid is not my son
 Am Bm C D C She says I am the one, but the kid is not my son
 Am Bm C D Em So take my strong advice and remember to always think twice
 Em Do think twice
