tom:

Am

Been getting **Am** tired of my motor running  
**C** Feeling over heated cause my life keeps coming  
**C** My heart has been troubled by the speed of love **F7M**

**Am** Searching these streets for a soul committee  
**C** Talking ideas on lust and pity  
**C** The fables I've found have no place at home **F7M**

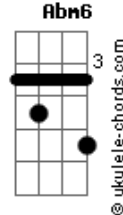

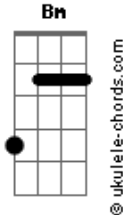

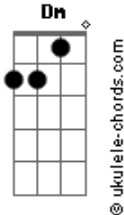

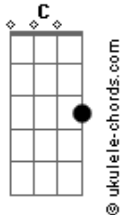

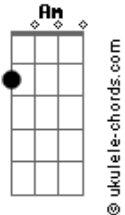

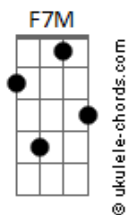

**Am** **C** **C** **F7M**  
 Well I need you, to want me, hold me, tell me the truth  
**Am** **C** **C** **F7M**  
 Yeah, I need you, to want me, hold me, tell me the truth

( **Am** **C** **C** )

**F7M** **Am** **C** **C**  
 Ain't no party in a sad sad city  
**F7M**  
 Ain't no party in a sad sad city

**Am**  
 Well, roll the dice, pay the price  
**C**  
 Dance with wolves in a pack of lies  
**C** **F7M**

## Acordes

The blood we crave shall drive us all insane

**Am**  
 Outer space, it's a lovely place  
**C**  
 A long lost love in a flower vase  
**C** **F7M**  
 Laying on the floor shattered, battered and bruised

**Am** **C** **C** **F7M**  
 Well I need you, to want me, hold me, tell me the truth
