

Chris Cornell - Scream

tom:

I take a minute to tell you right
 And you can say what you want
 You turn around every night
 So now you're always going off
 Doesn't matter what I done
 Or if I even crossed the line
 You start to holler, going for blood
 Girl, it doesn't have to be a fight
 Throwing out the blame when you know it ain't my fault
 Messing with my brain when you want to see me fall
 There may come a time when I don't bother you at all
 It isn't my call, it isn't my call
 Hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 (A F Am Fm)
 Take a minute to tell you now
 And I don't have to raise my tone
 Take the level and bring it down
 I just want you to know
 I got no trouble with what you said
 I don't even think you're wrong
 It's how you say it

You lose your head

Girl I'm standing right in front of you
 Throwing out the blame when you know it ain't my fault
 Messing with my brain when you want to see me fall
 There may come a time when I don't bother you at all
 It isn't my call, it isn't my call
 Hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 Silence is golden
 I used to think that silence was golden
 Silence is golden
 I used to think that silence was golden
 Silence is golden
 I used to think that silence was golden
 Silence is golden
 I used to think that silence was golden
 Hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 I say hey, why you keep screaming at the top of your head?
 Silence is golden
 I used to think that silence was golden
 Silence is golden
 I used to think that silence was golden
