[Part 5]

That's pretty much it. Ther's a harmonic in there-it's all six strings at the 12th
fret. In the background throughout the song you can hear a mandolin--if you want to
fake it with a guitar try alternating between these:

```
F|---------12-------12-------12-------12----------12----------
----------------------------|
C|------12-------12-------12-------12-------12----------------
----------------------------|
F|---12-------12-------12-------12-------12----12------------
----------------------------|
C|-------------------------------------------------------------
----------------------------|
G|-------------------------------------------------------------
----------------------------|
F|-------------------------------------------------------------
----------------------------|
```

And:

```
F|-------0-----0-----0-----0-------0--------------------------
----------------------------|
C|-----0-----0-----0-----0-----0------------------------------
----------------------------|
F|---0-----0-----0-----0-----0---0----------------------------
----------------------------|
C|-------------------------------------------------------------
----------------------------|
G|-------------------------------------------------------------
----------------------------|
F|-------------------------------------------------------------
----------------------------|
```
