

# Chris Cornell - When Bad Does Good

Tom: G

Standing <sup>Gb</sup> beside an open grave <sup>Bbm</sup>  
 You're fate <sup>Db</sup> decided, your life <sup>Bbm</sup> erased  
 Your final hour has come today  
<sup>Gb</sup> Lit by the fire of your temples <sup>Db</sup> burning <sup>Eb</sup> <sup>Gb</sup>  
 You were a child and so was I <sup>Bbm</sup> <sup>Db</sup>  
 Now you're a hunter but I am a lion <sup>Gb</sup> <sup>Bbm</sup>  
 And I will cut you down like I've done so many times <sup>Db</sup> <sup>Eb</sup>  
 But sometimes <sup>Gb</sup> bad can do some good <sup>Db</sup>  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Db</sup>  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Fm</sup> <sup>F</sup>  
<sup>Ab</sup> And I heard you say that flesh sells by the pound <sup>Bbm</sup>  
 When blood is raining down it cuts a deep river <sup>Db</sup> <sup>Eb</sup>  
 And I'm diving <sup>Gb</sup>  
 Now shine a light down onto the earth <sup>Bbm</sup> <sup>Db</sup>

And shake <sup>Gb</sup> this gold dust out, out of the dirt <sup>Bbm</sup>  
 No saints <sup>Db</sup> beside me and no prayers <sup>Eb</sup> to guide me  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Db</sup>  
 Bad can do some good <sup>Gb</sup> <sup>Db</sup>  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Fm</sup> <sup>F</sup>  
 ( <sup>Ab</sup> <sup>Bbm</sup> <sup>Db</sup> <sup>Eb</sup> <sup>Gb</sup> <sup>Bbm</sup> )  
 (Rain down, heaven is falling)  
<sup>Bbm</sup> I've chosen a side and I will show no pity <sup>Gb</sup>  
 (Rain down, heaven is falling)  
 And spare no lives <sup>Bbm</sup>  
 For those who try me <sup>Db</sup>  
 (Rain down, heaven is falling)  
 Let it be understood <sup>Eb</sup>  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Db</sup>  
 (Rain down, heaven is falling)  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Db</sup>  
 (Rain down, heaven is falling)  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Db</sup>  
 (Rain down, heaven is falling)  
 Sometimes <sup>Gb</sup> bad can do some good <sup>Db</sup>
