Intro: (Verse):

Bridge:

Repeat the above throughout the Verse until the last line, which goes...

Repeat twice.

Then...

Outro:

Play the verse in the background while the lead plays in the following scale...

"Can I visit your..."

And finally, end powerfully on

Chorus:

Key:

Verse 2:

Same as verse 1 except for an overlapping organ harmony (which a lead guitar can even adding various effects in order to more accurately emulate an organ)...

- | / slide up
- | (#)/ quick slide up
- | \ slide down
- | h hammer-on
- | (#)h quick hammer-on
- | ~ hold note/vibrato
- | x Mute note

and a minor fill, which can also be done by the same guitarist seeing as to how it fits between the organ harmony (if you're fast enough)...
