Another year goes by  
Speeding as I drive

I felt like I would live this life I knew forever  
I didn't see it change

But I know it's not the same  
I'd bring it back, if I could  
But I know, I'm not that clever

Life's so short  
And it goes by fast  
And we can't get it back

The world we knew  
It was so simple then  
Me and you  
Thought it would never end  
Oh what I wouldn't do  
To get back to  
The world we knew

(D )  
Songs can bring me back  
Yeah I remember that  
And nothing wrong  
When days were long and the sun was warmer  
Life's so short

And it goes by fast  
And we'll never get it back

The world we knew  
It was so simple then  
Me and you  
Thought it would never end  
Oh what I wouldn't do  
To get back to  
-stop  
The world we knew

I remember nights  
Baby, you and I  
Taking what we're given  
And I remember days  
Dancing in the rain  
That's what I call livin'  
Not a worry, not a care  
Everything was different  
But we're still here

In the world we knew  
It was so simple then  
Me and you  
It was so simple then

The world we knew  
Ooh... Hey, oh yeah  
Ooh... oh, the world we knew  
Ooh ooh Ooh..  
Oh, the world we knew
