

Chris Isaak - Blue Spanish Sky

Tom: C
Intro: . Riff

Intro: Chords: Am G F E

It's a big blue spanish sky
Lay on my back and watch clouds roll by
I've got the time to wonder why
She left me.

It's a slow sad spanish song
I knew the words but I sang them wrong
The one I love has left and gone
Without me.

Now she's gone, our world has changed
Watching a blue sky, thinking of rain

(Pre-Solo Riff)

Trumpet Solo: Am-G-F-E

It's a slow sad spanish song
I knew the words but I sang them wrong
The one that I love has left and gone
Without me.

It's a big blue spanish sky
I Lay on my back and watch clouds roll by
I only wish I could make you cry
Like I do.
Like I do
Like I do
(Ending Riff)
