

# Chris Isaak - Blue Spanish Sky

Tom: C  
Intro: . Riff

Intro: Chords: Am G F E

It's a big blue spanish sky  
Lay on my back and watch clouds roll by  
I've got the time to wonder why  
She left me.

It's a slow sad spanish song  
I knew the words but I sang them wrong  
The one I love has left and gone  
Without me.

Now she's gone, our world has changed  
Watching a blue sky, thinking of rain

(Pre-Solo Riff)

Trumpet Solo: Am-G-F-E

It's a slow sad spanish song  
I knew the words but I sang them wrong  
The one that I love has left and gone  
Without me.

It's a big blue spanish sky  
I Lay on my back and watch clouds roll by  
I only wish I could make you cry  
Like I do.  
Like I do  
Like I do  
(Ending Riff)
