

Chris Isaak - I See You Everywhere

tom:
 G
 You've been telling everybody
 Am
 How much you love me
 G
 But I don't know, I don't know
 Am
 You throw your arms around me
 Tell me that you missed me
 G
 Is that so, I don't know
 C G
 'Cause I see you everywhere
 C G
 And you're always on my mind
 C G D
 And I see you everywhere
 A D
 No more crying now, no more crying
 Am
 And I'm hoping that you want me

Like you've been saying but I don't know if it's so
 Am
 When you put your arms around me
 G
 I close my eyes believing but is it so, baby I don't know
 C G
 I see you everywhere
 C G
 And you're always on my mind
 C G D
 And I see you everywhere
 A D
 Baby, no more crying now no more crying now
 (Am G Am G)
 C G
 'Cause I see you everywhere
 C G
 And you're always on my mind
 C G D
 And I see you everywhere
 A D
 No more crying now no more crying now
 Am G Am
 Baby, no more crying now
