By:Signature Riff:|-----------------------------------------
------------------| They use slight variations of this main
riff all though the song. Sometimes they|-------------------
----------------------------------------| hit the G string
note twice or they will refrain to the D and back to the G,
but|--------1vv-------------------------------------------
---| this riff will get you started. Just listen to the CD and
you'll grab than Hang|------3-----------------------------
--------------------| Ten out it!|----3-------|
Tab Key:   V= Vibrato-------|      H=Hammer On|--1---------|
S= Slide------------|       P= Pull OffIntro:Fb chord fading
with volume control. The it's a Fm chord overlayed with the
main riff and a fewneck slides her and ther for variety.Verse
