 Every time I try to look away
 I see your face in a reflection
 C G D
 Every choice I try to make, I pray
 Em
 Leads me in a right direction
 C G D
 I don't know what it is, but I know I'm missing it
 Em
 Missing now
 C G D
 But the memory we make remains, remains

 Won't you hold me like you used to
 C G D
 Hold me, girl, just one more time

 Won't you love me like you used to
 C G D
 Cause love with you is so sublime
 Em C
 I was there for you, you where there for me
 G D
 Can we get this back again?

 Won't you hold me like you used to
 C G D
 Hold me, girl, just one more time

 Tell me how long has it been, since we

 Shown each other some affection
