

Chris Stapleton - Maggie's Song

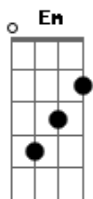

tom:
 G
 Let me tell you a story
 C About an old friend of mine
 G Somebody left her in a shopping cart
 C In a parking lot for us to find
 G Just a fuzzy black pup
 C She was hungry and feeling alone
 G We put her in the back seat
 C And told her we were taking her home
 G Run, Maggie run
 Bm With the heart of a rebel child
 C Oh, run, Maggie run
 G Be just as free as you are wild
 G A few kids later
 Em We moved out on the farm
 C And she followed those kids around
 G Yeah, she kept them safe from harm
 D And she loved to chase squirrels
 C And playing out in the snow
 Em She'd take off like a bullet
 C Man, you should have seen her go
 G Run, Maggie run
 Bm With the heart of a rebel child
 C Oh, run, Maggie run
 G Be just as free as you are wild
 (G Em C G)
 (G Bm C G C)

It was raining on a Monday
 C The day that Maggie died
 G She woke up and couldn't use her legs
 D So I laid down by her side
 Em She put her head on my hand
 D Like she'd done so many times
 G I told her she was a good dog
 C Then I told her goodbye
 G Run, Maggie run
 Bm With the heart of a rebel child
 C Oh, run, Maggie run
 G Be just as free as you are wild
 G I had a revelation
 Em As the tractor dug a hole
 C I can tell you right now
 D That a dog has a soul
 Em And I thought to myself
 C As we buried her on the hill
 G I never knew me a better dog
 C And I guess I never will
 G Run, Maggie run
 Bm With the heart of a rebel child
 C Oh, run, Maggie run
 G Be just as free as you are wild
 G Oh, run, Maggie run
 D With the heart of a rebel child
 Em Oh, run, Maggie run
 C Be just as free as you are wild
