

Chris Stapleton - Millionaire

Tom: C

(forma dos acordes no tom de A)

Capotraste na 3ª casa

Intro:

They say love is more precious than gold

It can't be bought and it can't be sold

I've got love enough to spare

That makes me a millionaire

I've got a woman with eyes that shine

Down deep as a diamond mine

She's my treasure so very rare

She made me a millionaire

When we ride around, ride around this old town

In my beat up car with the windows down

People look at her and then they look at me

And say "that boy is sure living in luxury" Sweet luxury

'Cause love is more precious than gold

It can't be bought no, never could be sold

I got love, enough to share

That made me a millionaire

(C G G C G G D C G C)

[Solo]

When the kisses fall from everywhere

Like riches on a millionaire

When my pockets are empty and the cupboard is bare

I still feel like a millionaire

'Cause love is more precious than gold

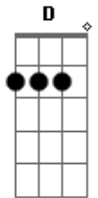

It can't be bought and it can't be sold

I got love, enough to spare

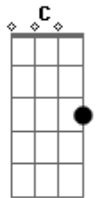

That makes me a millionaire

That makes me a millionaire
