

Chris Stapleton - Scarecrow In The Garden

tom:

B (forma dos acordes no tom de G)

Capostrate na 4ª casa
Intro:

[Primeira Parte]

Well he came from Northern Ireland
Searching for the free man's ground
And he came to bet his fortune
On a West Virginia plow

[Ponte]

[Segunda Parte]

He built a house of timber
And raised a redhead son
Then they worked the land together
And prayed the rain would come

[Refrão]

There's a scarecrow in the garden
That looks like Lucifer
And I've been reading Revelations
With my bare feet in the river

[Ponte]

[Terceira Parte]

Well the redhead's son got older
And took a brown eyed wife
And the fields were green as dollars

Cause the dirt was black as night

[Ponte]

[Quarta Parte]

I came in late September
The youngest one of three
And my sisters off and married
So the land was left to me

[Refrão]

There's a scarecrow in the garden
That looks like Lucifer
And I've been reading Revelations
With my bare feet in the river

[Quinta Parte]

I know every single fencepost
Every rock that goes around
I've been staring at the red oak
Where I know they'll lay me down

[Sexta Parte]

The fields ain't what they once were
The rains just seem to flood
And I've been thinking about that river
Wondering how it turned to blood

I've been sitting here all morning
I was sitting here all night
There's a bible in my left hand
And a pistol in my right
