

# Chris Stapleton - Starting Over

**Bb** tom:

[Primeira Parte]

**G**  
The road rolls out like a welcome mat  
**C**  
To a better place than the one we're at  
**D**  
And i ain't got no kinda plan  
**C**  
I've had all (of) this town I can stand  
**G**  
I got friends out on the coast  
**C**  
We can jump in the water and see what floats  
**D**  
We've been saving for a rainy day  
**C**  
Let's beat the storm and be on our way

[Refrão]

**Em** **D** **G**  
It don't matter to me  
**C** **D** **G**  
Wherever we are is where I wanna be  
**Em** **D** **G**  
And Honey, for once in our life  
**C** **D** **G**  
Let's take our chances and roll the dice  
**D** **C**  
I can be your lucky penny, you can be my four-leaf clover  
**G**  
Starting over

[Segunda Parte]

**G**  
This might not be an easy time  
**C**  
There's rivers to cross and hills to climb  
**D**  
Some days we might fall apart  
**C**

And some nights might feel cold and dark  
**G**  
Nobody wins afraid of losing  
**C**  
And the hard roads are the ones worth choosing  
**D**  
Some days we'll look back and smile  
**C**  
And hope it was worth every mile

[Refrão]
