

Chris Stapleton - Think I'm In Love With You

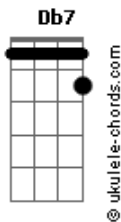

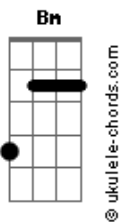

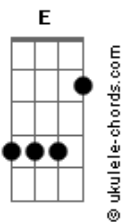

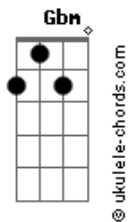

tom:
Gbm Gbm E

Baby, do you ever wonder
Bm
Whatever happened way back when
Bm
Or if I'll see you again
Gbm E
And maybe if you ever wonder
Bm
Aw, you might wish things could change
Bm
I know this might sound strange but
Gbm
I think I'm in love with you
E
I didn't know it at the time
Bm
I know what I want to do
Bm
It's makin' me lose my mind
Gbm
I thought about thinkin' it through
E
And every time I do I find
Bm
I wanna make your dreams come true
Bm
I think I'm in love with you
Gbm E Bm
I'm in love with you

[Instrumental]

Gbm E Bm
Bm
Ooh, you are the power over me
You are the truth that I believe

You are the light I want to see
You're all of everythin' to me
