

Chris Trapper - Into The Bright Lights

Tom: **D**

(forma dos acordes no tom de **C**)
Capostrate na 2ª casa

Up and away we set off ^{**C**}
^{**F7M**}
Secretly scared we'd get lost
Up in the clouds, over the town ^{**G**}
^{**F7M**}
Beyond the wall

Some of us knew we might fall ^{**C**}
^{**F7M**}
Under the weight of it all
And though we'd been warned of the oncoming storms ^{**G**}
^{**F7M**}
Still we stood tall

Soar from the moonlight ^{**C**}
^{**F7M**}
Straight to the sunrise
This will be our time ^{**Am**}
^{**F7M**}
To free-fall and nosedive ^{**C**}

Out of the black night ^{**F7M**}
Into the bright lights
With the whole world in our sight ^{**Am**}
^{**F7M**}
Like a miniature paradise

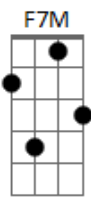

My shadow is cast on the ground ^{**C**}
^{**F7M**}
But I'm flying too fast to look down
At the rooftops and trees, and my family ^{**G**}
^{**F7M**}
Waving at me

Soar from the moonlight ^{**C**}
^{**F7M**}
Straight to the sunrise
This will be our time ^{**Am**}
^{**F7M**}
To free-fall and nosedive
Out of the black night ^{**C**}
^{**F7M**}
Into the bright lights
With the whole world in our sight ^{**Am**}
^{**F7M**}
Like a miniature paradise
