

# Chrystian & Ralf - Últimas Fronteiras

tom: C

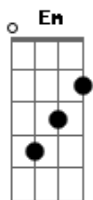

Você diz que me ama  
 Acendendo minha chama  
 Nos momentos de prazer  
 Diz que sou sua vida  
 Respirando espremida  
 Faz o nosso amor nascer  
 Somos puro desejo  
 E na fúria do beijo  
 Estamos prontos pra amar

Num suspiro eu te agarro  
 Com meus braços te amarro  
 Sem ter pressa de soltar  
 E assim ficamos horas, sem saber  
 Se é noite ou se já vai amanhecer  
 Não importa o tempo quando amamos  
 Somos puros e pecamos sem querer  
 O mundo nesse quarto somos nós  
 As últimas fronteiras são lençóis  
 De repente explode o desejo  
 Ofegante, ainda te beijo  
 Amo você
