

# Christian Leave - Darling

tom:

I don't think about you all the time  
 But when I do  
 It's a dream come true  
 Helps me sleep  
 It helps me dream at night  
 Something real  
 That'll make me feel alright  
 When I can't be by your side  
 It makes me cry  
 And wonder how long can I go  
 Without having you in my sight  
 Will I be alright?  
 Will I just die tonight?  
 I can't see anybody  
 Loving me the way you do, it's astonishing  
 You've got me under wraps  
 Darling, I'm in love

I can't see anybody  
 Loving me the way you do, it's astonishing  
 You've got me under wraps  
 Darling, I'm in love  
 ( C A F G )  
 ( Em F G C )  
 I know who I want to be now  
 Just your man  
 The best I can  
 So always remember what you mean to me  
 And hold me close  
 And don't ever let go  
 I can't see anybody  
 Loving me the way you do, it's astonishing  
 You've got me under wraps  
 Darling, I'm in love  
 I can't see anybody  
 Loving me the way you do, it's astonishing  
 You've got me under wraps  
 Darling, I'm in love
