Em  
 I can't believe that I survived  
 D  
 So many questions in my mind  
 C  
 I'm asking but there's no reply  
 Cm D  
 This miracle it leaves me wondering  
 G D  
 Why do I feel so alive  
 Em  
 Right here at the top of the sky  
 C  
 So much more that I've yet to find  
 G  
 It's like he knows me  
 D  
 He fought for me he's shown me  
 Em  
 A strength I didn't know was inside  
 C  
 That I'll carry for the rest of my life  
 D G  
 It's time to say goodbye
