

Christiano Domingues - O Fim do Amor

tom:

Intro: F Eb Db Bb

Se os olhos se abrissem agora

Não veria nada especial

Há guerras no mundo lá fora

Difícil saber o que está mal

Há sempre dois lados da história

Um cínico e fácil de ouvir

Um outro que diz sem demora

As dores que está a sentir

Eu grito Acabou

Acabou

Acabou

Acabou

Esteja pronto para colher o q plantou

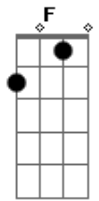

Não perca tempo a admitir onde errou

E suportar o que nunca imaginou

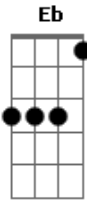

O fim do Amor

O fim do Amor
