```
Intro: G C Em F
       Em F
 When I think how life used to be
 Always walking in the shadows

 I feel like dancing on my tip toes

 I must say everyday I wake
 and realize you're by my side
 I know I'm truly...
Chorus:
   Blessed for everything you've given me
                   Em
   Blessed for all the tenderness you show

   Do my best with every breath that's in me
         Em F
   Blessed to make sure you never go
          Em
 There are times that test your faith
           Em F
 Til you think you might surrender
  C Em F
 Baby I'm, I'm not ashamed to say that
           Em F
 my hope was growing slender

 You were by in the nick of time
