C F C

[Verse 1]

C When I was young I would look in the mirror
 C F C Didn't know it then but now it couldn't be clearer
 C That I remember being filled with such wonder
 C F C Before learning that the world could be harsher
 C Who you love or the color of your skin
 C F C Or the place that you were born and grew up in
 C F C Shouldn't decide how you will be treated
 C Cause we're all the same when everybody's breathing

[Chorus]

C F C Waiting for a change to set us free
 C G C Waiting for the day when you can be you and I can be me
 C F C Waiting for hope to come around
 C G C Waiting for the day when hate is lost and love is found

Am G C Waiting for a change, waiting for a change
 C F C C F C Change, change

[Verse 2]

C For all the brave and the souls who went before us
 C Stand tall, then proudly lift your voices
 C Let 'em know who we are and our choices
 C And one day we won't have to sing this chorus

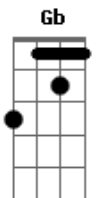

[Chorus]

C F C Waiting for a change to set us free
 C G C Waiting for the day when you can be you and I can be me
 C F C Waiting for hope to come around
 C G C Waiting for the day when hate is lost and love is found
 Am G C Waiting for a change, waiting for a change
 C F C C G C Change, change
 C F C C F C Waiting for a change, change, change

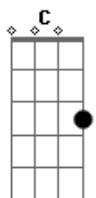

[Outro]

When I was young I would look in the mirror
 Didn't see it then but now it couldn't be clearer
