Christina Aguilera - Empty Words

```
                              tom:
                         Bbm
Intro:  Bb   F   Gm   Eb

Gm
The funny thing about hurt people
Is they tend to hurt people
The funny thing about lies is
They're only lies
The funny thing about hearts is
They tend to break easy
The funny thing about healing is
Eb
I'm alright

F                       Eb
Your voice was like a knife
                         F
It used to make me cry
              Eb
You tried to cut my pride
Not this time

Bb                  F              Gm
So go ahead and say the things you gotta say
                    Eb
You know you're only throwing empty words my way
Bb                  F
'Cause you won't break me, you won't break me
Gm              Eb
You can't take me down, no

Gm
The funny thing about listening is
I don't have to hear you
And the funny thing about talking is
Your words are tired
I've come to realize that
Life can be cruel but
                    Eb
The only approval that I need is mine

F                       Eb
Your voice was like a knife
                         F
It used to make me cry
                   Eb
You tried to cut my pride
(Gm )
Not this time, yeah

Bb                              F              Gm
So go ahead (go ahead) and say the things you gotta say
                    Eb
You know you're only throwing empty words my way (my way)
```

```
Bb                                    Fm
'Cause you won't break me (won't break me)
Fm
You won't break me (can't break me)
Gm              Eb           Bb
You can't take me down, no
                              F              Gm
So go ahead and say the things you gotta say (I wanna say it)
                    Eb
It's only empty words a million miles away
                 Bb              F
'Cause you won't break me (won't break me)
                              Gm
You won't break me (oh, you can't take me)
              Eb
You can't take me down, no

F             Cm        Eb
The hardest part of this
Cannot be heard or seen
F             Gm            Eb
This journey starts when I begin loving me

Bb                  F              Gm
So go ahead and say the things you gotta say
                    Eb
You know you're only throwing empty words my way
Bb
'Cause you won't break me (you're never gonna break me)
Fm
You won't break me (you're never gonna take me)
Gm              Eb
You can't take me down, no
Bb                  F              Gm
So go ahead (say it) and say the things you gotta say (you
gotta say it)
                       Eb
It's only empty words a million miles away (a million miles
away)
Bb
'Cause you won't break me (won't break me)
F
You won't break me (never break me, oh, never, never)
Gm              Eb
You can't take me down, no

Bb
Ah-ah yeah yeah,(yeah)
F
Ah-ah yeah yeah,(Oooh)
Gm                  Eb
Ah-ah yeah yeah yeah (yeah yeah)

Bb                  F
So go ahead and say the things you gotta say
You know you're only throwing empty words my way
```
