

Christina Aguilera - Keep On Singin' My Song

Tom: G

Intro: E D G A

Mmm, ooh, yeah, ooh

E D G A
I woke up this morning with a smile on my face

E D G A
And nobody's gonna bring me down today

E D G A
Been feeling like nothing's been going my way lately

E D G A
But I decided right here, right now

E D G A
That my outlook's gonna change, that's why I'm gonna

E D G A
Say goodbye to all the tears I've cried

E D G A
Every time somebody hurt my pride

E D G A
Feeling like they won't let me live my life and

E D G A
Take the time to look at what is mine

E D G A
I see, every blessing, so clearly

E D G A
And I thank God, for what, I got from above

E D G A
I believe they can take anything from me, but they

E D G A
Can't succeed in taking my inner piece from me

E D G A
They can say all they wanna say about me, but I

E D G A
I'm gonna carry on (carry on)

E D G A
I'ma keep on (keep on)

E D G A
Singing my song, yeah yeah

E D G A
I never wanna dwell on the pain again, ooh no no

E D G A
There's no use in reliving how I hurt back then, oh, oh no

E D G A
Remembering too well the hell I felt

E D G A
When I was running out of faith, oh

E D G A
Every step I'm about to take

E D G A
Well it's towards a better day, 'Cause I'm about to

E D G A
Say farewell to every single lie

E D G A
And all the fears I've held too long inside

E D G A
Every time I felt I couldn't try

E D G A
All the negativity and strife

E D G A
Cause too long, I've been, struggling, couldn't go on

E D G A
But now, I've found, I'm feeling strong and I'm moving on

E D G A
I believe they can take anything from me, but they

E D G A
Can't succeed in taking my inner piece from me

E D G A
Now they can say all they wanna say about me, but I

E D G A
I'm gonna carry on (carry on)

E D G A
I'ma keep on (keep on)

E D G A
Singing my song (la laaaa)

E D G A
Every time I tried to be

E D G A
What they wanted from me

E D G A
It never came naturally

E D G A
So I ended up in misery

E D G A
Was unable to see

E D G A
All the good around me

E D G A
Wasting so much energy

E D G A
On what they thought of me

E D G A
Than simply just remembering to breathe, ohh ooh

E D G A
Ohh, I've learned

E D G A
I'm humanly unable to please

E D G A
Everyone at the same time

E D G A
So now I find, my peace of mind

E D G A
Living one day at a time

E D G A
In the end I answer to one God

E D G A
Comes down to one love

E D G A
Till I get to heaven above

E D G A
I have made the decision

E D G A
Never to give in

E D G A
Till the day I die no matter what

E D G A
I'm gonna carry on

E D G A
I'ma keep on, mmm

E D G A
Singing my song... (la la la la la la la...)

E D G A
I believe they can take anything from me

E D G A
(I believe, yeah)

E D G A
But they can't succeed in taking my inner piece from me

E D G A
(Oh, oh)

E D G A
They can say what they wanna say about me

E D G A
But I'm, I'm gonna carry on,

E D G A
I'mma keep on.. singing my song....
