Tom: Db

m

Intro: Dbm

Maria he eh he-heh, Maria

Maria, don't you hear me calling, Maria?

Maria, girl you know you were the only one

[Primeira Parte]

How was I supposed to know

That it would cost my soul?

Nothin is free', out-chea

I wanna breathe out-chea

And how am I supposed to face this lonely life I've created?

Is that the price that I'm payin'?

I wanna feel it ("You keep runing away!")

[Pré-Refrão]

All my life, wouldn't give up

Was too young to know the dif-ference

How did I get so low-ww?

When did I turn so cold

Inside-of-my-own-mind, I- believe my own lies

I'm facing the mirror

[Refrão]

Where, where, where is Maria?

Why, why, why don't I see her?

I, I just wanna see her

Why, why, why don't I see her?

I, I just need to see ya

Ma-ria

[Segunda Parte]

Now do you hear it in my voice?

That I'm tryna make a choice

I don't know which way to-go,- at this cross-roads

You done taped my mouth shut

Make me feel worthless, used up

[Pré-Refrão]

So tired of painting all this makeup

'Cause it won't hide my deep cuts

Eyes open, but can't see

Mouth open, but can't speak

I'm facing the mirror

[Refrão]

Where, where, where is Maria?

Why, why, why don't I see her?

I, I just wanna see her

Where, where, where is Maria?

Oh, I just wanna see ya

Ma-ria

[Ponte]

Oh, my lord (oh)

Can you take away this heavy load? (oh)

I can't carry it any-more (oh)

I'm callin' an an-gel, where is my saviour?

Oh, my lord (oh, my lord)

Can you take away this heavy load? (Can you take away this heavy load?)

I can't carry it an-ymore (I can't)

I'm callin' an angel, where is my saviour?

Hear my plea for sympathy

I just want you here with me

Hear my plea for sympathy

I just want you here with me

Hear my plea for sympathy

I just want you here with me

Hear my plea for sympathy

I just want you here with me
