

Christina Aguilera - Oh Mother

Whoa, oh, yeah,

She was so young with such innocent eyes
 She always dreamt of a fairytale life
 And all the things that your money can't buy
 She thought that he was a wonderful guy
 Then suddenly, things seemed to change
 It was the moment she took on his name
 He took his anger out on her face
 She kept all of her pain locked away

Oh mother, be stronger
 From all of the tears you have shed
 Oh mother, don't look back
 Cause he'll never hurt us again

So mother, I thank you
 For all that you've done and still do
 You got me, I got you
 Together we always pull through
 We always pull through
 We always pull through
 Oh mother, oh mother, oh mother

It was the day that he turned on the kids
 That she knew she just had to leave him
 So many voices inside of her head
 Saying over and over and over,
 "You deserve much more than this."

She was so sick of believing the lies and trying to hide
 Covering the cuts and bruises (cuts and bruises)
 So tired of defending her life, she could have died
 Fighting for the lives of her children

Oh mother, be stronger
 From all of the tears you have shed (all of the tears you have

shed)
 Oh mother, don't look back
 Cause he'll never hurt us again (he'll never hurt us again)

So mother, I thank you (thank you)
 For all that you've done and still do (still do)
 You got me, I got you, (yeah you got me and I got you)
 Together we always pull through.
 Oh mother, oh mother, oh mother

(**D** , **G_bm** , **A_b**)

All of your life you have spent
 burying hurt and regret
 But mama, he'll never touch us again

For everytime he tried to bring you down
 Just remember who stood around
 It's over, and we're stronger
 And we'll never have to go back again

(**D_bm** , **B** , **A** , **A_b**)

Oh mother, be stronger
 From all of the tears you have shed
 Oh mother, don't look back (oh mother don't look back again)
 Cause he'll never hurt us again (cause he'll never hurt us again)

So mother, I thank you (and I thank you for all that you've done)
 For all that you've done and still do (together we always move on)

You got me, I got you, (you got me, I got you)
 Together we always pull through (always pull through)
 We always pull through
 We always pull through

I love you mom
