

Christina Aguilera - Understand

Tom: G

Gbm7 B7 Em
I made you think, you don't understand.

G
I used to think that happiness could only be something
That happened to somebody else **Em**

Everybody believed, everybody but me, yeah yeah
G
And I've been hurt so many times before,

That my hopes was dying, so sick of trying **Em**

Everybody could see, everybody but me, yeah yeah

G
But then you came into my life, you opened up my softer side
Em

And now I can see into your eyes, and suddenly, I realize.

Gbm7 B7 Em
I made you think, you don't understand
All the times you didn't understand,
Why you couldn't just be my man.

Gbm7 B7 Em
I made you think, you don't understand
There were many walls you had to climb,
If you really wanted to be mine.

Gbm7 B7 Em
I made you think, you don't understand
After all the hoops I put you through,
Now I see that I'm in love with you

Gbm7 B7 Em
Now, I hope you finally understand.

G
So many tears I've had to cry,
But you had many more of your own you had to try **Em**

But you stuck it out and you're here with me now, yeah yeah

G
And rememberin' the days I pushed away your love,
You called my bluff and you still stayed around, **Em**

Yeah you figured me out, said, you got me down

G
And there's no way to lie to you, you know me better than I do

Em
Baby, ooh, you see me through, I'd be no good without you.

Gbm7 B7 Em

Ohh.

Em
Baby, won't you listen now
Can't you see just what I'm talking about?
Said baby won't you listen now
Can't you see just what I'm talking about?

Em
Time went on, and I was wrong
To keep my distance for so long.
So afraid, you wouldn't stay
But you never turned away

Em
Always right by my side
You're forever in my life
Don't you go
'Cause now I know
That in you I found a home.

Em
Now I can see into your eyes
Suddenly, I realize.
