

Christina Aguilera - What A Girl Wants

Tom: C

I wanna thank you for giving me time to breathe
 Like a rock you waited so patiently
 While I got it together
 While I figured it out
 I only looked but I never touched
 'Cause in my heart was a picture of us
 Holdin' hands, makin' plans and it's lucky for me you
 understand

What a girl wants
 What a girl needs
 Whatever makes me happy sets you free
 And I'm thanking you for knowing exactly
 What a girl wants
 What a girl needs
 Whatever keeps me in your arms
 And I'm thanking you for being there for me

weaker man might have walked away
 But you had faith
 Strong enough to move over and give me space
 While I got it together
 While I figured it out
 They say if you love something let it go
 If it comes back it's yours
 That's how you know
 It's for keeps yeah, it's for sure
 And you're ready and willin'
 To give me more than
 A girl needs somebody sensitive but tough
 Somebody there when the goin' gets rough
 Every night he'll be giving his love
 To just one girl
 Somebody cool but real tender too
 Somebody, baby, just like you
 Can keep me hangin' around
 With the one who always knew
