

# Christina Grimmie - Anybody's You

Tom: F

**Dm**  
Clearing off the table, and my mind was set for two  
**Dm**  
Acting like it's nothing but I'm feelin' like a fool  
**C** **A** **Dm**  
And something's gotta break before another one brings me down  
**Dm**  
They bring me down

**Dm**  
Next one had me trusting every word I thought was true  
**Dm**  
How could you keep lying as she's lyin' next to you  
**C** **A** **Dm**  
And something's gotta break before another one brings me down  
**Dm**  
They bring me down

**F**  
But what if there's something that I keep missing?  
**Dm**  
What if there's someone that I can't lose?  
**Bb**  
Nights when I'm crying, will he listen?  
**F** **C**  
Isn't there anybody?  
**Dm**  
What if there's someone that makes me happy  
**F**  
Someone that I already knew?  
**Bb** **F** **C** **Dm**  
What if? What if? What if that anybody, anybody's you?  
**F** **C** **Bb**  
Any, anybody's you, yeah

**Dm**  
Chasing after trouble with the one I wouldn't keep  
**Dm**  
One of many wasted times falling at his feet  
**C** **A** **Dm**  
Feels good going up then it crashes hard when it brings me down  
**Dm**  
They bring me down (Yeah)  
**Dm**  
I'm getting tired, tired  
**Dm**  
Of looking everywhere for somebody like you (like you)  
**C** **A** **Dm**  
I'm just tired, tired and it brings me down  
**Dm**  
They bring me down

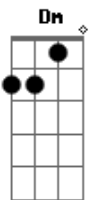

**F**  
But what if there's something that I keep missing?  
**Dm**

**Bb**  
Nights when I'm crying, will he listen?
