

Christina Grimmie - Cry Wolf

Tom: D

They say the brightest stars
 are the ones that burn out first
 and I was quick to give my heart
 turns out that you get yours

And you tell me that you love me
 tell me that you need me
 didn't see it coming, sorry I believed it
 I was buying every line you sold
 and even though we lost it, never really had it
 what's your secret hiding in the attic
 the only one you never told

I need a witness, someone to write it down
 for this truth I found; it was a bigger trap
 begging for forgiveness, it's a hopeless cause
 you played your cards, no wonder why you cried
 wolf, wolf, wolf, hey

You know how the story goes
 in the end the wolf get's fed
 you need a miracle after everything you said

And you tell me that you love me
 tell me that you need me
 didn't see it coming, sorry I believed it
 I was buying every line you sold
 and even though we lost it, never really had it

what's your secret hiding in the attic
 the only one you never told

I need a witness, someone to write it down
 for this truth I found; it was a bigger trap
 begging for forgiveness, it's a hopeless cause
 you played your cards, no wonder why you cried
 wolf, wolf, wolf, wolf (2x)

Save your breath
 I ain't listening
 there's nothing left
 what are you saying
 Save your breath
 I ain't listening at all, all

I need a witness, someone to write it down
 for this truth I found; it was a bigger trap
 begging for forgiveness, it's a hopeless cause
 you played your cards, don't want no one to cry

Witness, someone to write it down
 for this truth I found; it was a bigger trap
 begging for forgiveness, it's a hopeless cause
 you played your cards, don't want no one to cry

I need a witness, someone to write it down
 for this truth I found; it was a bigger trap
 begging for forgiveness, it's a hopeless cause
 you played your cards, do why'd you cry wolf
